

Arcadia Resources' President and CEO Marvin R. Richardson to Present at America's Health Insurance Plans' (AHIP) 2010 Executive Leadership Summit

INDIANAPOLIS, Ind., February 2, 2010 – Arcadia Resources, Inc. (NYSE Amex: KAD), a leading provider of innovative consumer health care services under the Arcadia HealthCareSM brand, today announced that its President and CEO Marvin R. Richardson will present at the 2010 AHIP Executive Leadership Forum on February 3, 2010 in Phoenix, Arizona.

"It's a privilege to participate in such a forum and I am pleased to discuss the role of pharmacy in addressing the costs of health care in America," said Richardson speaking on behalf of his presentation entitled: "DailyMed: Bending the Cost Curve: Cutting Edge Solutions to Help Health Insurance Plans Improve Efficiency and Quality While Bringing Down Costs."

In addition to being the President and CEO of Arcadia HealthCare, Richardson is a registered pharmacist who has participated on numerous pharmacy related forums, including speaking engagements with National Association of Chain Drug Stores (NACDS), American Society of Consultant Pharmacists (ASCP) and advisory work with former Vice President Dan Quayle and former Indianapolis Mayor Stephen Goldsmith.

About Arcadia HealthCare

Arcadia HealthCare is a service mark of Arcadia Resources, Inc. (NYSE Amex: KAD), and is a leading provider of home care, medical staffing and pharmacy services under its proprietary DailyMed program. The Company, headquartered in Indianapolis, Indiana, has 65 locations in 20 states. Arcadia HealthCare's comprehensive solutions and business strategies support the Company's vision of "Keeping People at Home and Healthier Longer."

DailyMedTM Pharmacy dispenses a monthly cycle of a patient's prescriptions, over-the-counter medications and vitamins, and organizes them into pre-sorted packets clearly marked with the date and time the medications should be taken. In the dispensing process, a DailyMed pharmacist reviews each patient's medication profile and utilizes state-of-the-art medication therapy management tools in order to improve the safety and efficacy of the medications being dispensed. A DailyMed pharmacist provides routine communication with the patient, the primary care physician, caregivers and payers in order to maximize the pharmaceutical care administered. The DailyMed program improves patient care and drug utilization while reducing drug and hospitalization costs for private and government payers.
