About Arcadia HealthCareSM

Arcadia HealthCare is a service mark of Arcadia Resources, Inc. (NYSE Amex: KAD), and is a leading provider of home care, medical staffing and pharmacy services under its proprietary DailyMed program. The Company, headquartered in Indianapolis, Indiana, has 65 locations in 20 states. Arcadia HealthCare's comprehensive solutions and business strategies support the Company's vision of "Keeping People at Home and Healthier Longer."

DailyMedTM Pharmacy dispenses a monthly cycle of a patient's prescriptions, over-the-counter medications and vitamins, and organizes them into pre-sorted packets clearly marked with the date and time the medications should be taken. In the dispensing process, a DailyMed pharmacist reviews each patient's medication profile and utilizes state-of-the-art medication therapy management tools in order to improve the safety and efficacy of the medications being dispensed. A DailyMed pharmacist provides routine communication with the patient, the primary care physician, caregivers and payers in order to maximize the pharmaceutical care administered. The DailyMed program improves patient care and drug utilization while reducing drug and hospitalization costs for private and government payers.

Forward Looking Statements

Any statements contained in this release that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21A of the Securities Exchange Act of 1934, as amended and otherwise within the meaning of court opinions construing such forward-looking statements. The Company claims all

safe harbor and other legal protections provided to it by law for all of its forward-looking statements. Forward-looking statements are not guarantees of future performance and involve known and unknown risks, estimates, uncertainties and other factors, which could cause actual financial or operating results, performances or achievements expressed or implied by such forward-looking statements not to occur or be realized, including our estimates of consumer demand for our services and products, required capital investment, competition, and other factors. Actual events and results may differ materially from those expressed, implied or forecasted in forward-looking statements due to a number of factors. Important factors that could cause actual results, developments and business decisions to differ materially from forward-looking statements are described in the Company's filings with the Securities and Exchange Commission from time to time, including the section entitled "Risk Factors" and elsewhere in the Company's most recent Annual Report on Form 10-K and subsequent periodic reports. Among the factors that could cause future results to differ materially from those provided in our press release are: (i) we cannot be certain of our ability to generate sufficient cash flow to meet our obligations on a timely basis; (ii) we may be required to make significant business investments that do not produce offsetting increases in revenue; (iii) we may be unable to execute and implement our growth strategy; (iv) we may be unable to achieve our targeted performance goals for our business segments; and (v) other unforeseen events may impact our business. The forward-looking statements speak only as of the date hereof. The Company disclaims any obligation to update or alter its forward-looking statements, except as may be required by law.
