#### **About Arcadia HealthCare<sup>SM</sup>**

Arcadia HealthCare is a service mark of Arcadia Resources, Inc. (NYSE Amex: KAD), and is a leading provider of home care, medical staffing and pharmacy services under its proprietary DailyMed program. The Company, headquartered in Indianapolis, Indiana, has 65 locations in 20 states. Arcadia HealthCare's comprehensive solutions and business strategies support the Company's vision of "Keeping People at Home and Healthier Longer."

DailyMed™ Pharmacy dispenses a monthly cycle of a patient's prescriptions, over-the-counter medications and vitamins, and organizes them into pre-sorted packets clearly marked with the date and time the medications should be taken. In the dispensing process, a DailyMed pharmacist reviews each patient's medication profile and utilizes state-of-the-art medication therapy management tools in order to improve the safety and efficacy of the medications being dispensed. A DailyMed pharmacist provides routine communication with the patient, the primary care physician, caregivers and payers in order to maximize the pharmaceutical care administered. The DailyMed program improves patient care and drug utilization while reducing drug and hospitalization costs for private and government payers.
